

QUAD A Fee Schedule

Refer to the fee charts below for your facility's program.
Fees are effective for all invoices as of **April 07, 2025**.

Application

Complete applications must be submitted with payment. QUAD A will not process incomplete applications or applications without payment.

Self-Surveys and Re-Surveys

QUAD A invoices accredited facilities six months prior to their accreditation expiration date. Every third year, when the facility is due for re-survey, the facility's invoice includes the survey fee and the annual fee. A Life Safety survey also applies for Medicare-participating ASC's every third year when the facility is due for re-survey.

Facilities may require additional surveys during the interim period between routine surveys, such as following major renovations, changes in ownership, changes in facility class, the addition of services necessitating new major equipment, the citation of a large number or particularly serious deficiencies, or other circumstances. In such circumstances, QUAD A generates a separate invoice that the facility must pay prior to QUAD A conducting the survey.

Follow-up Surveys

QUAD A requires 100% compliance with all standards. Therefore, accredited facilities and applicants must be prepared for an onsite survey for the most successful process possible.

Any International, Procedural, Surgical, OMS, or Pediatric Dentistry facilities cited with a high number of deficiencies (typically 20+), or the surveyor identifies deficiencies that constitute a high level of concern due to the severity or nature of the deficiencies may be subject to one or more Follow-up Survey.

Any Medicare participating facility in a re-survey cycle that has condition-level deficiencies cited during the re-survey must undergo a follow-up survey and a second follow-up survey if condition-level deficiencies persist.

Any Medicare participating facility in a re-survey cycle that has condition-level deficiencies cited during the re-survey must undergo a follow-up survey and a second follow-up survey if condition-level deficiencies persist.

Any follow-up survey due to the results of an investigative survey, will also be invoiced.

The fee for each follow-up survey will be billed at the published rate for that facility based on program, class (if applicable), and size for a maximum of two follow-up surveys per facility allowed.

Medicare ASC facilities with Life Safety Code deficiencies, which result in a condition level deficiency, will incur a fee of \$3,135 in order to secure an additional Life Safety Code survey to verify compliance.

Start-Up Surveys

New facilities located in states that require accreditation before they can obtain licensure must undergo a Start-Up survey prior to conducting any cases, for which:

- A Start-Up Survey Fee of \$1,103 applies per survey (up to two allowed)
- A Start-Up Term fee of 50% of the published annual rate for that facility, based on the specific program, class, and size. This fee reflects the six-month accreditation term granted upon successful completion of the Start-Up Survey.

States requiring accreditation in order to begin operating do not allow facilities to conduct cases until QUAD A confers accreditation. Currently, facilities located in California, New York, Florida, Indiana, Nevada, Ohio, Texas, and Washington may require a Start-Up survey. This list is not intended to be exhaustive, and the Start-Up Survey Fee may apply in other states as regulations evolve.

Expedited Survey Policy (Not Applicable to Facilities in Medicare Programs)

QUAD A requires a minimum of 30 days from receipt of a completed packet of application or reaccreditation materials to schedule a survey. To be considered complete, the packet must include all associated fees, forms signed by the facility director and all staff physicians where appropriate, staff credentials, and a schedule of availability. Upon submission of the completed packet, QUAD A staff will select a survey date at least 30 days from the completion date.

Any Procedural, Surgical, OMS, or Pediatric Dentistry facility may request an expedited survey to be conducted within 30 days from the submission of the completed survey materials. An administrative fee of \$550 applies to all expedited survey requests, as well as any additional costs incurred by QUAD A including surveyor fees, related travel expenses, and lodging costs.

Expedited survey does not guarantee an expedited accreditation process or approval.

Removing/Adding Physicians or FTEs

Facilities may remove or add physicians or clinical personnel by completing the appropriate form. Facilities must report changes to staff to the accreditation department within 30 days of the change, as required by the accreditation standards. Staff updates may affect your facility's annual fee. The accounting department will adjust the annual fee and may issue an invoice or a credit per the update. Failure to report staffing changes may jeopardize the facility's accreditation status.

Cancellation of Survey

Facilities may cancel a scheduled survey by written notice up to 31 days prior to the survey date and incur no additional charges. Any facility that cancels a scheduled survey within 30 days of the survey date will incur cancellation charges, consisting of:

1. \$550 administrative fee
2. Any additional costs associated with the cancellation, including, but not limited to, travel and lodging and all other related expenses.

If a facility cancels a survey after the surveyor has traveled to the survey location, or within one week of the survey date, the cancellation fee will include:

1. \$550 administrative fee
2. Survey Fee (in addition to the original survey fee paid to QUAD A)

3. Any additional costs for arrangements made or for extraordinary costs such as expedited service or other special fees.

Changing or rescheduling a survey date is considered a cancellation of the existing survey. The facility is responsible for all existing survey costs, consistent with the cancellation policy. The new survey date is subject to any fees that apply to the scheduling of surveys, including but not limited to expedited survey fees.

If a facility cancels a Life and Safety survey, the facility will be responsible for all incurred costs.

Reactivation Fee

- Facilities that lose accreditation for administrative process violations, such as non-payment, non-compliance with the survey process, or late PSDR submissions may reactivate their accreditation once by remedying the violation and paying a \$550 reactivation fee within ten (10) business days of inactivation. If the reactivation request is not granted, the \$550 reactivation fee will be returned. Reactivation is not applicable to Medicare accredited facilities.
- Facilities are not eligible for reactivation after a termination or denial for a failure to meet patient safety and other quality requirements; such facilities must reapply for accreditation and are subject to all routine payments and surveys in order to become accredited again.

Acceptable Forms of Payment

We accept Visa, Master Card, American Express, and Discover card payments online on our portal at <https://portal.quada.org>. A link to this site is always available on the email sent to the facilities where the invoice is available. If you have difficulty paying online, please contact the accounting department at 888-545-5222 ext. 182 or 847-775-1970 ext. 182.

Make checks payable to QUAD A and submit to 600 Central Avenue, Suite 265, Highland Park, IL 60035. QUAD A will apply a Non-Sufficient Funds Fee (NSF) of \$35 for check payments made with insufficient funds. Payment by check is not available for international facilities.

QUAD A also accepts wire transfers. For wire transfer instructions, email us at accounting@QuadA.org.

Payment Terms

QUAD A billing terms are 30 days. Overdue invoices incur late fees every 30 days beyond the invoice due date; other penalties also follow and may result in the termination of accreditation. QUAD A will only proceed with reaccreditation processes after receiving payment for any outstanding invoices and is not responsible for any gaps in accreditation caused by nonpayment of invoiced fees.

Refund Policy

If a facility withdraws its application or renewal request, an inactivation form must be completed and signed by the facility's director or another responsible party, if the director of the facility is no longer reachable. The signed form must include documents that are relevant to the inactivation request. QUAD A may require additional information depending on the circumstances. QUAD A will refund 50% of the annual fee and 100% of the survey fee, provided the application or renewal packet has been submitted and processed but the facility has not been surveyed. If QUAD A already performed the survey, QUAD A will only refund 50% of the annual fee and none of the survey fee. A \$100 administrative fee will be subtracted from each refund. If the facility does not complete the accreditation process within one year of the date QUAD A received the application, the application is considered expired, and the facility must submit a new application and appropriate fees to become accredited. For renewals, if the facility does not complete the accreditation process within 6 months of the invoice date, the accreditation will be revoked. Expired applications, facilities that have received their certificate, or facilities with revoked accreditation are not eligible for refunds.

Volume-based Discounts as Outlined Below:

Tiers	# of Accredited Facilities (excludes ext sites)	Annual Fee Discount
1	150+	25%
2	100-149	20%
3	50-99	15%
4	15-49	13%

The discount amounts will be set each quarter based on the total number of accredited facilities reported by the NAC on the National Accounts calls and to the accounting department. No changes in the discount amounts will be made until the NAC report the next quarter.

National Accounts discounts are exclusive and may not be combined with other discounts based on memberships with national partners such as NARA, NARHC, ADVION, etc.

Annual Fees for Accreditation – Non-Medicare Programs

Effective April 7, 2025, facilities that were formerly C-M are now Class C. Reference [QUAD A Anesthesia Class Requirements](#) for more information.

Number Of Physicians on Staff	Total Number of Specialties	Class A	Classes B & C
1-2	Up to 2	\$956	\$1,404
3-5	Up to 2	\$1,331	\$1,948
3-5	3 or more	\$1,670	\$2,287
6-9	Up to 2	\$4,223	\$5,094
6-9	3 or more	\$4,550	\$5,421
10 plus	Up to 2	\$5,941	\$7,502
10 plus	3 or more	\$6,268	\$8,530

Annual fee based on the total number of physicians, dentists, or diagnostic personnel, the total number of specialties of the physicians, dentists, or diagnostic personnel, and the facility class.

Survey Fees

- \$2,560 Full Survey fee for any size facility or any class
- Annual fee and survey fees are subject to change
- 10% Discount for ISAPS members participating in the International Program on annual fee; must show proof of membership upon submission of payment.

Annual Fees for Pediatric Dentistry Accreditation

Effective April 7, 2025, facilities that were formerly C-M are now Class C. Reference [QUAD A Anesthesia Class Requirements](#) for more information.

Number Of Dentists on Staff	Class A	Classes B & C
1-2	\$956	\$1,404
3-5	\$1331	\$1,948
6-9	\$4,223	\$5,094
10 plus	\$5,941	\$7,502

Survey Fees

- \$2,560 Survey Fee for any size facility or any class. Annual fee and survey fees are subject to change.

Annual Fees for Medicare Surgical (ASC) Accreditation (Ambulatory Surgery Centers)

Effective April 7, 2025, facilities that were formerly C-M are now Class C. Reference [QUAD A Anesthesia Class Requirements](#) for more information.

Number Of Physicians on Staff	Total Number of Specialties	Facility Class A, B, C	Facility Size
1-2	Up to 2	\$2,178	Small
3-5	Up to 2	\$2,722	Small
3-5	3 or more	\$3,061	Small
6-9	Up to 2	\$5,844	Medium
6-9	3 or more	\$6,171	Medium
10 plus	Up to 2	\$8,240	Large
10 plus	3 or more	\$9,281	Large

Annual fee based on the total number of physicians, total number of specialties of the physicians, and facility class.

Survey Fees

- \$4,130 Full Survey Fee for small size facilities
- \$5,480 Full Survey Fee for medium size facilities
- \$6,280 Full Survey Fee for largesize facilities
- Additional \$3,135 Life and Safety Code Survey Fee is required for all ASC facilities

- Facilities may not request an expedited survey
- Surveys are unannounced
- Annual fee and survey fees are subject to change

Annual Fees for OPT Accreditation

(Outpatient Physical Therapy)

Number of FTE	Annual Fee
Up to 5.0	\$1,234
5.1 to 10.0	\$2,468
10.1 and over	\$3,703

FTE = Full-Time Employees providing care. Practitioners working 40 hours per week or more, or any combination of part-time practitioners equivalent to 40 hours per week are counted as one FTE. Any fraction of FTE will count toward establishing a proper fee.

Survey Fees

- \$1,790 Full Survey Fee per surveyor day
- The primary site and all extensions sites must be surveyed
- 10% Discount for NARA members on annual fee; must show proof of membership upon submission of payment

- Facilities may not request an expedited survey
- Surveys are unannounced
- Annual fee and survey fees are subject to change

Annual Fees for RHC Accreditation

(Rural Health Clinics)

Number of FTE	Annual Fee
Up to 2.0	\$2,045
2.1 to 4.0	\$2,589
4.1 and over	\$4,937

FTE = Full-Time Employees providing care. Practitioners working 40 hours per week or more, or any combination of part-time practitioners equivalent to 40 hours per week are counted as one FTE. Any fraction of FTE will count toward establishing a proper fee.

Survey Fees

- \$1,790 Full Survey Fee per surveyor day
- 10% Discount for NARHC members on annual fee; must show proof of membership upon submission of payment

- Facilities may not request an expedited survey
- Surveys are unannounced
- Annual fee and survey fees are subject to change

Annual Fees for International Accreditation (International Programs)

Number of Dentists/Physicians/Diagnostic Personnel	Annual Fee
Small, 1 to 3	\$1,699
Medium, 4 to 9	\$4,510
Large, 10 to 20	\$7,810
Over 20	Negotiated Fees

Annual fee based on the total number of dentists, physicians, or diagnostic personnel and total number of specialties of the dentists, physicians, or diagnostic personnel.

Survey Fees

- \$2,150 Full Survey Fee

- Facilities may not request an expedited survey
- Annual fee and survey fees are subject to change
